The **Home** team will be from the North Division.

Game times are approximate. We realize that coaches are coaching both teams. We will wait at either gym to allow coaches to get to the gym.

Locker rooms: We will use the 2 locker rooms in the big gym for the boys to change in. **They will need to keep their gear with them in the bleachers.** We will not be opening up classrooms for locker rooms. This will eliminate students playing in rooms while coaches are busy with their other team.

All fans will enter at the Big Gym and the 7th grade spectators will walk down the hallway. This allows for better control at the gate and we don't have people getting in without paying.
